*Interested in the Luminaire XP1 or  
the Scan N Cut DX?*

Whether you already own the Scan N Cut or Luminaire, or are simply interested in checking it out more in depth.. we will be having a educator direct from Brother in-store for a Luminaire/Scan N Cut education event! Educator Kathy Stipe will be at our store for a education event June 28th, 2019!! More info to come so keep an eye on your email for more details!

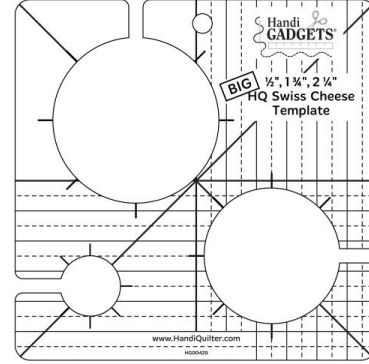

---

**Would you like to learn to use  
RULERS  
To quilt your quilts and enhance your  
designs?**

**Wanted more details and hands on  
experience?**

**We've redesigned our "NEW" Ruler Class.**

**Tomahawk Sew N Vac is starting it's own ruler class. We have 16 different hand sized rulers in stock. Each monthly meeting will have you using two different rulers to make designs on a quilt block so that you can take samples home with you. We will be doing 3 different circle rulers this month. Please bring the ones that you already own. There is a \$5.00 charge for class, and you will receive 30% off of any ruler purchased, plus adiscunts on any notions, thread etc. you may purchase. Please call the store to register.**

**The class will meet once a month during 2 different sessions. You only need to come to one session a month as the same material will be covered at both just different time-frames to accommodate various schedules. It will be a come as you can, and leave when you are done format. I will have samples and be able to help you. We will have machines setup with a ruler foot, but you can bring your own machine with the correct ruler foot if you'd like. By the end of this class, you will know how to use rulers, have a nice sample library to help you remember designs, and have a good selection of rulers to use at home or on the long arm machine.**

**Dates:**

**Wednesday; May 15th 1 p.m. - 3 p.m.\***

**Saturday; May 18th a.m. - 12 p.m.\***

**Hope to see you there!**

[General Education:](#)

### **Beginning Sewing-Adult**

**Sewing level: No previous sewing experience to some very basic skills. 16 and older. No machine necessary. May bring their own tools but not necessary.**

**Description of Class: Come have a fun time as you learn about sewing machines, fabrics, sewing a seam, and pressing. Master seams, casings, elastic, and zippers as we make things from a pillow case to pajamas or shorts.**

**Date & Time (3 Hours): By Appointment**

**Cost: \$40 + materials**

**1-on-1 class. Please call for more information.**

## Machine Lessons

Did you recently buy or inherit a new sewing machine, embroidery machine or serger and don't know where to begin? Have you had your machine for years and just need a refresher? In a 2 hour class you'll learn your sewing machine inside and out: Explore its basic operation, how to choose the right accessories for essential sewing techniques, as well as maintenance you should perform at home to keep your machine running optimally.

**Date & Time (2 hours): By Appointment**

**Cost \$25**

**1-on-1 class. Please call for more information.**

## Long Arm Class

Want to learn how to use our long arm machine? We have classes available call us and one of our teachers will call you to setup an appointment.

## Clubs

**All Clubs are FREE to attend. Registration is required.**

### Machine Quilting Club

Do you machine quilt? Would you like to find out what other people do? Would you like to get better with your craft or share what you know? It doesn't matter if you quilt on a home machine, a sit-down machine, or a stand-up machine, this club is for you. If you are a beginner or quilt show winner, this club is for you. Please come and spread the word.

**Quilting Club meets the 3rd Wednesday of every month from 10 a.m. to 12 p.m.**

**Wednesday; May 15th 10 a.m. - 11:30 a.m.**

### Embroidery Club

A great place to learn new and fun things you can do with your embroidery machine whatever the make and model. If you'd like to bring in your latest project for "show and tell," we'd love to see it!

## Sewing Club

Learn at least one type of sewing technique. Also, see the latest in notions while enjoying a drink and snacks. We love “show and tell,” so bring your projects and questions!

## Serger Club

Come and see how to change your serger settings. Also, we will be make a shirt this month see the different techniques. We love “show and tell,” so bring your projects and questions!
